Redding Rancheria Community Fund Awards \$85,705 to Regional Organizations

The Redding Rancheria Community Fund, a fund of Shasta Regional Community Foundation, is pleased to announce grant awards totaling \$85,705 to organizations in Shasta and Trinity counties. “It is our privilege to have a long-standing partnership with the Redding Rancheria that makes possible impactful work by local nonprofits and public entities for the benefit of so many of our friends, neighbors, and their families,” says Kerry Caranci, Chief Executive Officer at Shasta Regional Community Foundation.

Tracy Edwards, Chief Executive Officer at the Redding Rancheria says, “We are proud to play our part in the community. Knowing how much need exists in our region during these uncertain times, decision-making in this cycle was particularly difficult. Like the Community Foundation, we are dedicated to supporting worthy causes in our region and know there will be additional opportunities in the future, starting with our next grant cycle in the Fall.”

Since the Redding Rancheria Community Fund was established at the Community Foundation, over \$3.5 million in grants have been awarded. For a detailed list of grant awards, visit the website at www.shastarcf.org/grants.
