

REDDING RANCHERIA COMMUNITY EDUCATION FUND

Native American Education Scholarship

Objective

The Redding Rancheria Community Education Fund (RRCEF) in conjunction with Tribal Council strives to help students achieve their goals and become leaders in the community. Based on the belief that education is vital to success, the purpose of the scholarship is to help those who are in need with a little financial support to lessen the burden of pursuing their dreams. It is our belief that with a little help, those students will move on to inspire, help and lead others to greatness. Our community is stronger when we support one another and our mission is to support the next generation so they can be strong leaders within the community.

Description

The Native American Education Scholarship provides funding for Native American students currently enrolled at a college, university or trade school. It provides (5) recipients with a financial award up to \$500 towards tuition, books and other school related costs.
