Redding Rancheria Tribal Health Opens Center for Advanced Care

Redding, Calif.-Rancheria is delighted to announce the grand opening of its highly anticipated Center for Advanced Care, providing access to specialty care services for Native Americans and underserved communities in the region. The state-of-the-art facility will offer a wide range of specialized medical services, including dermatology, neurology, cardiology, podiatry, psychiatry and endocrinology. Additional specialty care services are set to come online in the upcoming months, further expanding access to comprehensive healthcare for all.

This new Center for Advanced Care marks a significant milestone in Redding Rancheria's commitment to promoting the health and well-being of the community. By enhancing access to specialized medical services, we aim to improve health outcomes and longevity for Native Americans and underserved populations. We are dedicated to providing culturally sensitive care that meets the unique needs of our community, and we look forward to serving and supporting individuals in their healthcare journey.

The facility is equipped with the latest medical technology and staffed by highly trained healthcare professionals, ensuring that patients receive the highest quality of care. “We are excited to open the Center for Advanced Care as a beacon of hope and healing for our community,” said Glen Hayward, Executive Director of Redding Rancheria Tribal Health Systems. “Our goal is to provide exceptional healthcare that is accessible to all, while honoring the cultural values and traditions of our people.”
