Redding Rancheria Tribal Health System Announces New Public Health Advisory Board Member

FOR IMMEDIATE RELEASE

Redding, Calif. — The Redding Rancheria Tribal Health System is pleased to announce the appointment of Dr. Paul Davis to the Public Health Advisory Board. Dr. Davis brings strong experience in public health and clinical leadership, and his knowledge will support the board's continued efforts to strengthen community health.

As a member of the Public Health Advisory Board, Dr. Davis will take part in regular board meetings and related discussions, and will stay connected with staff when he is unable to attend. He will contribute to committees, coalitions, and board projects, and will stay informed on board matters by reviewing meeting materials, offering input, and preparing for discussions. Dr. Davis will also support a collaborative, productive working environment and participate in the board's ongoing planning and evaluation efforts.

"We are excited to welcome Dr. Davis to the Public Health Advisory Board," said leadership of Shasta County Public Health. "His commitment to community wellness and his professional expertise will be a tremendous asset to our work."

We look forward to the valuable contributions Dr. Davis will bring to the board and the broader community.
